In March 2018 17,500 visitors joined us at our biggest show yet for an unforgettable action packed day out for all the family. They were treated to over 750 display motorcycles, over 100 individual trade exhibitors, stunt shows, live music and special guests.

The event will showcase brand new 2019 models from major manufacturers including Suzuki, Honda, Kawasaki, KTM, Yamaha, Triumph, Ducati, Harley-Davidson etc.

The event also hosts a stunning display of over 650 modern, race, classic, dirt bike and streetfighter machines from clubs and private individuals.

The show also delivers an unrivalled retail village with leathers, helmets, accessories, parts and services with stand prices designed to encourage an eclectic mix of traders and exhibitors ranging from the smallest of small autojumble businesses to the largest of large corporations and everyone in between.

Thrilling stunt shows, live music, entertainment, concours competitions alongside a multitude of guest stars; EventCity really is the place to be if you are serious about motorcycling.
